Peregrine ranch

2018 Pine Mountain Chardonnay By Leo Steen

VINTAGE: 2018

APPELLATION: Pine Mountain, Sonoma County

VINEYARD: Planted in 1980, these organically farmed vines located in the Northern Mayacamas Mountain range at 2,200 feet elevation.

The volcanic gravelly soil is a well-drained site and gets abundant sunshine, while the elevation keeps it cool and preserves acidity in the grapes.

BLEND: 100% Chardonnay

WINEMAKING: Fermented and aged in a combination of barrels and 400 Liter puncheons, whereas 25% was new French oak.

TASTING NOTES: The nose opens up with notions of marzipan and chalk dust over a core of lemon curd, peaches and mandarin peel. Medium to full-bodied, a lovely satiny texture with intense savory and citrus layers, finishing long.
